Dear Sir or Madam,

North Country Community Theatre (NCCT) invites your support as an advertiser in the program for our teen production of ***The Music Man***, at the Lebanon Opera House, March 2, 3 and 4, 2012.

NCCT Teens is a branch of NCCT, a non-profit organization that has been producing community theater since 1973. In 1994, NCCT launched its first teen production and has produced a teen musical every winter since. This year, more than 70 teens from Lebanon High School, Hanover High School, Hartford High School, Mascoma Valley Regional High School, The Sharon Academy, Thetford Academy, Windsor High School, Woodstock High School, as well as one home-schooled student, are participating in this production as members of either the cast or stage crew.

NCCT does so much more than just provide an entertaining theater experience for the entire community. We are committed to fostering arts education, developing cross cultural understanding, refining leadership skills and providing a substance free environment for area teens. Through NCCT Teens we seek to foster growth, development, and responsibility within our teen membership while having lots of fun at the same time.

Putting on a show like ***The Music Man*** takes a great deal of commitment from a great many people. Even though many people will volunteer their time to make this show a success, we still have a budget of nearly \$40,000. As a result, we depend in part on the financial support of local businesses and individuals such as you.

Please consider joining a very special group of generous folks - our "**Program Advertisers**"! Not only will you be supporting a good cause but you will be reaching a captive audience for your business. I am sure that our community will recognize the contribution you make and reward you for it.

We thank you in advance for your consideration.

Sincerely,

**Jean Alexander**
