

Teen Contract

For the 2012 NCCT Teen Production of *The Music Man*

Understanding that safe and responsible behavior is necessary to the excellence of North Country Community Theatre (NCCT) Teen productions, **I agree** to abide by the following rules if I become a member of the cast or tech crew in the 2012 production of *The Music Man*.

1. **I agree** to attend all rehearsals for which I am called. If I'm not sure where or when rehearsals are, I can find out by asking any member of the Teen Governance Committee or Production Staff, or by viewing the rehearsal schedule at www.ncct.org.
2. **I agree** that if I miss three rehearsals for which I am not excused I stand to lose my part.
3. **I agree** to not use my participation in *The Music Man* as a reason to miss school, even during production week, and **I agree** to be fully committed to maintaining my academic standing and to make smart choices during the production that allow this commitment to be fulfilled.
4. **I agree** to be off book by February 19, 2012. (Cast only)
5. **I agree** to not use alcohol or illegal substances, and to not misuse prescription medications, between now and March 4, 2012. If I do, I will be asked to appear before the Teen Governance Committee to discuss the situation, and I understand that I may lose my assigned role and be assigned to a different role or be asked to leave the production as a result.
6. **I agree** to not use alcohol or illegal substances, and to not misuse prescription medications, at or immediately prior to ANY official NCCT event, such as cast parties or fundraising events. If I do, I understand that I will be asked to appear before the Teen Governance Committee to discuss the situation, and this may affect my eligibility for future NCCT events and productions.
7. **I also understand** that my parents and/or guardians will be notified if I use alcohol or illegal substances, or if I misuse prescription medications, and NCCT may suggest a confidential screening by a counseling organization to determine whether I need outside help.
8. **I also agree** that in addition to items 5 and 6 above that it is my responsibility to immediately notify the Teen Governance Committee, a Teen Advisor, or a member of the Production Staff if I witness the use of alcohol or illegal substances or the misuse of prescription medications by other members of the cast and crew as this type of behavior affects not only the offending party but also the entire group.
